SangHyun Lee, Ph.D.

*Professor of Civil and  
Environmental Engineering*

*Carol C. Menassa*

Carol C. Menassa, Ph.D.

*Associate Professor of Civil and  
Environmental Engineering*

Delivered on Coursera

UNIVERSITY OF MICHIGAN

Courses offered as part of this certificate may contain material drawn from on-campus courses, though the learning experience may be significantly different. Upon admission to a graduate degree program at the University of Michigan, participants who earned this certificate may be eligible, at the discretion of the academic unit, to have the work apply toward the program's degree requirements.
